Chairman's Message:

I am very glad to present the 10 th Annual Report of Dr MMFRC, the non-profit Organization implementing Healthcare Activities across the Maharashtra. Financial Year 2022-2023 has been an eventful year in which we have successfully implemented innovative unique solutions in many sectors of health in Rural, tribal communities of Maharashtra. We have tried to make a difference to the lives of 9000. As I look back at our incredible achievements during the financial year 2022-2023, it gives great satisfaction that we are on sustainable development path towards holistic Health. Community Based project is a highly impactful initiative of the Foundation; through regularly Check up of various health indicators in rural communities. This given early detection of dreadful diseases like cancer, Anemia, hypertension, cardiac, lung Diseases.

Through our flagship program, foundation's 10 th ANNUAL REPORT 2022-2023 adopted 87 villages during the year, by redesigning strategies and incorporating learning's from 3 years of implementation of this program me. The program focuses on a holistic development of all the 80 villages that we have adopted so far. A "Centre of Excellence for Persons with Disabilities" was conceptualized in 2017 as a centralized support centre for persons with disabilities. The centre is working towards a more inclusive India, removing barriers to employment and employability of those who are physically challenged.

During the financial year 2022-2023, foundations comprehensive response to the Cancer project has addressed the crisis by – 1) Healthcare infrastructure running 30 bed Cancer hospital and 2) relief by supporting innovative projects like Cancer awareness, preventive measures for health care sectors . The Foundation response focused on strengthening the professionals of medical fraternity and human resource capacity, creating awareness, fostering early identification through community based interventions in Maharashtra. The Foundation’s humanitarian assistance focused on immediate relief in the form of health devices /equipment, food/rations, Sai-ration kits etc, through our well-established network of rural local leaders.

Foundation has adopted a systematic approach to address skill full development of Doctors viz; Gynecologists, Oncosurgeons for various latest treatment skills on patients through a series of hands on training sessions in hospital/ Practical demonstrations .

Through our social impact initiatives, the Foundation is enhancing health outcomes, improving knowledge of paramedics like bedside assistant, Nursing aids, Patients attendant .OT Assistant and promoting skill development in ASHA workers , leading to sustainable growth in healthcare sectors, Research and Inclusion are the pillars on which our preventive medical programs are initiated and developed. All our efforts are directed towards making a positive change to lives at the grassroots level and putting them on track for a better future. Our dream is to contribute towards building an inclusive and sustainable nation, with the objective of achieving Holistic development for all in Cancer India Free India Mission. I sincerely thank all our team members, Donors, Trustees, grassroots level workers for their support and association. My heartfelt congratulations to the team/trustees of DRMMFRC for their dedication, compassion, and hard work in making all the Health projects successful. I wish the Team at Foundation the very best in all their future endeavors towards “cancer free India Mission.”

Dr Swapnil Mane
